Regarding domain name fee

- Annual fee is SEK 120 (EUR 13, excl. VAT)
- No price change since December 2005
- Survey: End customers find .se domains low/reasonably priced
- For most registrars the main business is not domain names. It is just an extra cost for their webhosting etc.
- Fine balance not to over stimulate the market

.SE distribution channels

- 200 registrars
- Top-ten registrars register 74% of domain names
- Top-three registers more than 48,4% of domain names
- The biggest registrar nearly registers more than all the others outside the top-ten list.
- Web hosting companies dominate. 6 of 10 in top 10 is Danish och Norwegian.
- Many consider domain name as a give away or teaser
- Most registrars are small and relatively young
